New Scholarships

Careers & Salary

Education Required

DECEMBER 2009, VOLUME 24

## Education Required

### 1 Physiotherapists

1. You must have a professional master's degree in physiotherapy and a period of supervised practical training.
2. To practise, you must be registered or licensed with the regulatory board in the province/territory where you'll work. You may also need to complete the Physiotherapy National Exam administered by the Alliance of Physiotherapy Regulatory Boards.
3. With experience and additional training, you may move up the ranks to become a manager such as director of physiotherapy.

More Info (Salary, Useful Experience, Unemployment):  
[http://www.studentscholarships.org/salary\\_ca/234/physiotherapists.php](http://www.studentscholarships.org/salary_ca/234/physiotherapists.php)

### 2 Interior Design

1. You usually need a university degree or college diploma in interior design or architectural design. You must demonstrate your creative abilities through a portfolio of your work.
2. You also may be required to register with the Interior Design Association in the province/territory you'll be working.
3. Specialization is possible through specific university or college training or through experience.

More Info (Salary, Useful Experience, Unemployment):  
[http://www.studentscholarships.org/salary\\_ca/260/firefighters.php](http://www.studentscholarships.org/salary_ca/260/firefighters.php)

### 3 Psychologists

1. You must have a graduate university degree in psychology and be registered with a regulatory body in all provinces. Membership in a provincial professional association for psychologists is voluntary.
2. You must have a doctoral degree in Ontario, Manitoba, and British Columbia and a master's or doctoral degree in all other provinces. In Prince Edward Island, you must have a doctorate to work in professional private practice, while a master's degree limits practice to institutions/agencies.

[http://www.studentscholarships.org/salary\\_ca/242/psychologists.php](http://www.studentscholarships.org/salary_ca/242/psychologists.php)

### 4 Police Officers

1. You must have a high school diploma, and may be required to complete a college diploma or university degree in law/security or in social sciences.
2. You must meet physical strength, agility, fitness, and vision requirements as well as some psychological or other tests.
3. Most recent entrants have a community college diploma, and almost 3 in 10 have an undergraduate university degree.
